

When approached by a stranger remember

“Just Say Know”

A marijuana smoker is arrested every **45 seconds** in the United States, when it costs us \$23,000 a year to imprison Americans is prohibition really worth it?

see <http://www.norml.org/facts/arrestreport>

Study's have shown **no long term cognitive effects** from smoking marijuana, so what was that ad about my brain on drugs again? More details at, www.marijuana-hemp.com/cin/facts

To overdose on marijuana you have to smoke approximately 1,500 pounds in 15 minutes, and even that is a guess. Any wonder why no-one has died from marijuana? For the whole story see, <http://www.alcp.org.nz/reports/myths.htm>

THC i has been used to treat brain cancer in rats, it lengthened the life of some and eradicated the cancer in others, want the whole story see, www.mapinc.org/drugnews/v01.n572.a11.html
